

Hello!

My name is Pete Bush. Years ago, I formed PSBcreative, and ever since, we have earned a reputation for producing the finest theatre experiences in our area schools.

Fast forward to now and thousands of students have performed in PSBcreative productions such as Broadway Night, Aladdin, 'Twas the Night Before Christmas, Mulan, The Music Man, Wild Things, Beauty and the Beast, When Annie Met Oliver, Alice in Wonderland, Jukebox Time Machine, Sleeping Beauty, Winnie the Pooh, At the Bandstand, The Grim Twins, Back to the 80s, The Little Mermaid, The Lion King, My Son Pinocchio, Peter Pan, A Spooky Night of Fun, Disney: The Movies The Music, The Jungle Book, Moana, Mary Poppins, Moana, Newsies, 101 Dalmatians, and Xanadu.

We've pioneered site-specific performances for elementary schools with our evening on a playground and theatre-in-the-round productions. We've also made two full-length movies, produced an original rock musical with an anti-bullying message, as well professionally recorded, produced and released the soundtrack to this original musical.

We have facilitated successful summer camps in elementary, middle, and high schools. In June 2021, our Mary Poppins summer camp production at Nicholson Elementary marked the return of live theatre in Cobb County Schools. In June 2023, our summer camp production of Beauty and the Beast marked the return of full musical theatre productions at Sprayberry High School.

Our vast collection of costumes, props, and scenery has helped the theatre arts programs of many area schools. Our after-school clubs, spring musical programs, and summer camps provide thousands of dollars to our host schools. Families moving to our area have even purchased homes that are assigned to specific schools because these schools host our programs.

We are excited to announce that we are now a nonprofit organization, PSBcreative Arts Education. Our ultimate goal is to open a school of the arts, theatre, and community space. We sincerely thank you for your support and for believing in the importance of arts education in your

child's life.

PSBcreative Arts Education is incredibly proud to receive second place in both the PERFORMING ARTS PROGRAM and LIVE THEATRE categories of Cobb Life's Best of Cobb 2025. We also took third in the NONPROFIT category, an honor among the many invaluable nonprofits in the Cobb area. As always, we are humbled by the support of our community.

If this is your first show with us, here are some important points: We are aware that this is a lot of information! We try to communicate as much as possible to our families clearly. We understand this program may not be the best fit for families, and we want to be upfront about its cost, demands, schedule, etc.

This is a middle school-level program. Our cast and crew will work very hard. They will get tired, especially during March. They will be challenged. They will have to practice at home. Our participating students' confidence, coordination, teamwork/leadership skills, social skills, musical skills, and so much more will strengthen. They will also have lots of fun, make new friends, and create memories that will last a lifetime.
