

## **SCRIPT:**

- We expect scripts to arrive in late October. We will deliver scripts to students after their participation fee is paid in full. To get a head start, here is a link to read the student script online:

- If you don't want to wait for our scripts to arrive, you can purchase the script on music websites like JWPepper. Look for the "AUDIO SAMPLER" of Finding Nemo Jr. This will include the script and code for audio access. This is the only item you can purchase without a show license. These cost around \$10 plus shipping.
- Here is a link to a YouTube playlist with all songs:
