

SCRIPT:

- We expect scripts to arrive in November. We will deliver scripts to students after their participation fee is paid in full. **To get a head start and to help prepare for auditions, here are two links to read the student script online:**

- If you don't want to wait for our scripts to arrive, you can purchase the script on music websites like JWPepper. Look for the "AUDIO SAMPLER" of Disney's The Lion King Jr. This will include the script and code for audio access. This is the only item you can purchase without a show license. These cost around \$10 plus shipping.
